OUR 2025 SEASON

A SNEAK PEAK AT OUR 2025 SEASON

EYES ON THE PRIZE

With 24 races across 21 countries, the 2025 F1® season takes us on an exhilarating journey - from Australia in March to Abu Dhabi in December - all while celebrating the World Championship's 75th birthday!

Double World Champion Fernando Alonso kicks off his third year with Aston Martin Aramco, bringing over two decades of relentless racing passion to the team. His unwavering drive continues to captivate fans and fuel our ambition.

Joining him is Lance Stroll, whose persistent determination has been crucial since our F1® return in 2021. As we chase the front of the grid, Lance's leadership and focus sets the tone for our fifth season in green.

At the heart of our journey is a world-class leadership and technical team based at the AMR Technology Campus in Silverstone. With legendary designer Adrian Newey starting a new chapter with us, we're more driven than ever.

Our state-of-the-art facility, featuring a brand-new wind tunnel and simulator, gives our team the tools and infrastructure needed to stay ahead.

The 2025 season is set, and we're thrilled to have you with us on this exciting ride!

EXPERIENCE. EXCELLENCE. EXHILARATION.
