2025 HOSPITALITY

GET READY!

The Red Bull Energy Lounge returns for the 2025 Formula One season, after an unforgettable debut season in Paddock Club. We witnessed a thrilling finale to the World Drivers Championship in Las Vegas and we loved sharing the joy of the celebrations from the best seats in the house.

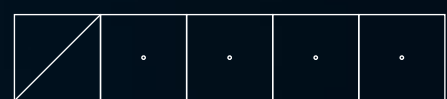

A groundbreaking season saw Oracle Red Bull Racing and Visa Cash App Racing Bulls guests welcomed into the Energy Lounge in one unique space, and now it is your chance to join us for the thrilling ride that is Formula One in 2025.

As our special guest in the Red Bull Energy Lounge, you will have the ultimate vantage point above the pit lane to get behind both Teams no matter which race you attend.

Join us for a season which promises to provide closer racing than ever before, with 23* destinations to choose from, and both teams giving it their all to shake up the grid.

So, what are you waiting for? Charge on, let's go racing!

BRING THE NOISE!

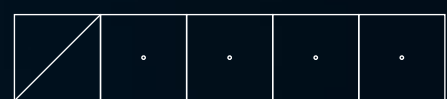

Experience a luxurious Paddock Club weekend in our Red Bull Energy Lounge where you can indulge in world-class dining, curated from the finest locally sourced ingredients all weekend long. The bar is always open so you can keep the energy levels topped up with an ice cold can of Red Bull. Our in-house DJs are on hand with regular sets throughout the weekend to elevate your celebrations.

Our largest ever LED video wall brings you every on-track moment in high-definition clarity. Delve deeper into the inner workings of the garages with Live Pit Links, where you will learn more about the race weekend including session debriefs, car set up and the mentality of our Race Team as we head into another race session, all from the comfort of the Red Bull Energy Lounge.

Want to be part of the Pit Wall? Unlock access to race day data and behind the scenes content via our Race Station. Coupled with radio channel access we give you the opportunity to dial into the cockpit and Team radio as our strategists and engineers navigate their way through the weekend.

During breaks in on-track activities, seize your chance to take control and experience the thrill of driving around your selected circuit with our Fanatec simulator experience. You will also have access to the Paddock Club main lounge, where additional entertainment experiences await, hosted by Formula One.

As a guest of the Team, enjoy exclusive access to the Pit Lane at selected times, where you can get up close and personal with Formula One machinery and feel the energy from the pounding beat of the garage as our mechanics work to prepare our cars battle on-track.
